ALEX MORGAN

SECOND ENGINEER

Marine engineer focused on dependable propulsion, disciplined maintenance and safe engine-room operations. Hands-on experience across product tankers, bulk carriers and passenger vessels.

01 Sea service

One contract. One vessel. One clearly documented voyage.

VOYAGE 1
01 Oct 2025
to 30 Apr 2026

212 days

MV Meridian

Northline Marine / Product tanker

MAN B&W 6S50ME-B / 9,480 kW / 46,000 DWT

Coordinated machinery maintenance, supervised engine-room work and prepared survey close-out records.

Second Engineer

VOYAGE 2
10 Jan 2025
to 25 Jun 2025

167 days

MV Meridian

Northline Marine / Product tanker

MAN B&W 6S50ME-B / 9,480 kW / 46,000 DWT

Prepared dry-dock work scopes and spares; supported propulsion inspections and contractor handover.

Second Engineer

VOYAGE 3
05 Mar 2024
to 12 Sep 2024

192 days

MV North Passage

Pelagic Shipping / Bulk carrier

MAN B&W 6S60MC-C / 13,560 kW / 82,000 DWT

Maintained generators and fuel separators; investigated cooling-system faults using operating trends.

Third Engineer

926
DAYS AT SEA

379
DAYS AS 2ND ENGINEER

5
RECORDED VOYAGES

01 Earlier sea service

Continuation of individual embarkations

VOYAGE 4
01 May 2023
to 18 Nov 2023

202 days

MV North Passage

Third Engineer

Pelagic Shipping / Bulk carrier

MAN B&W 6S60MC-C / 13,560 kW / 82,000 DWT

Completed planned overhauls of pumps and compressors; kept defect and maintenance records.

VOYAGE 5
01 Jun 2022
to 31 Oct 2022

153 days

MV Solstice

Engineering Cadet

Blue Current Fleet / Ro-Pax ferry

Wartsila 8L46 / 7,240 kW / 28,000 GT

Supported watchkeeping rounds, pump maintenance and emergency drills under supervision.

02 Certificates & endorsements

Illustrative register - dates and credentials are fictional

Certificate	Scope / record	Issued	Expires / review
Certificate of Competency	Second Engineer / III/2	15 Jul 2024	14 Jul 2029
Basic safety training	STCW training record	20 Aug 2024	See modules
Advanced firefighting	Refresher record	22 Aug 2024	21 Aug 2029
Survival craft & rescue boats	Refresher record	24 Aug 2024	23 Aug 2029
Medical first aid	Training certificate	18 Feb 2023	Review flag rules
Engine-room resource management	Management-level training	07 Jun 2024	As required
Oil / chemical tanker training	Basic training record	12 Sep 2024	Verify endorsement
Seafarer medical	ENG1 example	01 Jun 2026	31 May 2028

03 Engineering toolkit

Propulsion & auxiliaries

Two-stroke diesel, fuel systems, generators, separators and pumps.

Maintenance & reporting

PMS, fault diagnosis, dry-dock scopes and technical drawings.
